BUSINESS OPPORTUNITIES.

IN IT FOR

a good business man or firm having \$20,000 to INVEST;
can get a controlling interest in hiey's Patent for New
York State and New Jersey.

The object of this invention is to provide means for
tapping the plugged branches and pipes for water mains
and to connect branch pipes to the same without stopping the supply or causing inconvenience to manufactures or householders. This is not an experiment, has
been thoroughly tested and adopted by one city; is a
great success. Every city in the inlust States will
adopt it when it is properly pinced before them. At the
rate which it has already been sold a Million DolLARS can be made in two or three years by means of or
dinary business ability. Other territory size open, Address or call on.
